RE: 2013 User Fee Update

---

**SUMMARY OF REQUEST:** City departments have reviewed and updated their user fees and these have been incorporated into the Master Fee Resolution that is attached for your consideration.

The new fees and fee changes that are being proposed are highlighted on the attached spreadsheet and include the following:

- Eliminating the current “cleaning deposit” for picnic shelter rentals and replacing it with a cleaning fee to be imposed if facility is not left in clean condition;
- New fee for vacant building administrative appeals that are late;
- Reducing Hartshorn Marina slip rentals to hopefully increase the number of rentals;
- Increase catamaran storage fees that have not changed in several years;
- Increase storm water cross-connection fees reflecting higher wastewater treatment costs;
- Replacing current planned unit development (PUD) processing fee with separate fees for preliminary and final PUD processing.

**FINANCIAL IMPACT:** Increased revenue for fee supported activities.

**BUDGET ACTION REQUIRED:** None at this time. Adoption of the Master Fee Resolution will help the City attain its budgeted revenue estimates.

**STAFF RECOMMENDATION:** Approval.

**COMMITTEE RECOMMENDATION:** None.

**RESOLUTION No. 2012-93(f)**

A resolution adopting fees for services in the City entitled "Master Fee Resolution".

The City of Muskegon hereby RESOLVES:

1. The City of Muskegon has in the past adopted resolutions from time to time which set fees for various services in the City.
2. That in addition to the specifically adopted resolution fees, there are fees which are charged pursuant to ordinances and codes as well the fees which are charged in the exercise of various other functions of the City which serve the public.
3. That the City Commission has reviewed all of the fees which are charged from time to time pursuant to resolution, ordinance and in the affording of services to and for the public, and has determined to adopt the resolution a comprehensive schedule of fees by this resolution which is hereby called the "Master Fee Resolution".
4. That the City Commission and its committees, with the advice of the staff of the City, have carefully investigated and examined the fees set forth in this Master Resolution and have determined that they are reasonably related to the actual cost of affording the services involved.

NOW, THEREFORE, THE CITY COMMISSION HEREBY RESOLVES:

1. That the schedule of fees attached to this resolution is hereby adopted and shall be charged for the services set forth in the schedule and under the conditions set forth therein.
2. That any fees listed which are also listed in specific resolutions, rules or regulations, shall be charged in accordance with those resolutions, rules and regulations, and with the practices of the City in affording the appropriate services.
3. That the adoption of this resolution does not amend or change previous specific resolutions for the charging of fees for services, and does not preclude the existence of previous or future resolutions setting forth fees which are not included herein.

This resolution adopted.
