

ACTIVITY 3

What is your walkshed? How does it compare in a suburban versus an urban environment? DRAW where you park and walk at the Lakes Mall. MEASURE the distance using the scale template.

How far did you walk? _____

Did you walk to destinations outside of the mall, ie. Menard's? Kohl's, Olive Garden? _____

Why? Why not? _____

CONSIDER the aerial below with the Lakes Mall overlay.

Would you walk the same distance in downtown?
Think about walking outdoors at the Lakes Mall. Describe what you did, who you saw, how safe you felt. Overall what was your experience.

Rate your walk experience: 1-5 (five being a high quality walk experience) _____

ACTIVITY 3

What is your walkshed? How does it compare in a suburban versus an urban environment? DRAW where you park and walk in Downtown Muskegon. MEASURE the distance using the scale template.

How far did you walk? _____

Did you walk to destinations throughout the city, ie. LC Walker? Post Office? Art Museum? _____

Why? Why not? _____

CONSIDER the aerial below with the downtown overlay.

Would you walk the same distance at the Lakes Mall? Think about walking downtown. Describe what you did, who you saw, how safe you felt. Overall what was your experience.

Rate your walk experience: 1-5 (five being a high quality walk experience) _____
