1. RECEIPT OF BIDS

Sealed bids for the above project will be received by the City of Muskegon of Muskegon, Michigan until:

2:00 PM (local time) on Tuesday, October 15, 2013

at which time the bids will be publicly opened and read aloud.

2. SCOPE OF PROJECT

The project consists of dredging and disposal of approximately 2,000 cyds of clean sandy lake sediment at the Cottage Grove Boat Launch, 750 cyds of clean sandy sediment in the Hartshorn Marina Basin and approximately 1,600 cyds of clean sandy and organic lake sediment at a small inlet next to the Hartshorn Marina.

Including all necessary appurtenances and restoration.

3. EXAMINATION OF SPECIFICATIONS

Contract documents may be examined online at www.preinnewhof.com/plan-room or at the offices of:

City of Muskegon, 933 Terrace Street, Muskegon MI 49443

Prein&Newhof, 4910 Stariha Drive, Muskegon, MI 49442

Prein&Newhof, 3355 Evergreen Drive NE, Grand Rapids, MI 49525

And some local plan rooms.

4. DEPOSIT FOR DRAWINGS AND SPECIFICATIONS

Drawings and specifications are available online at www.preinnewhof.com/plan-room or at the Grand Rapids office of Prein&Newhof. Electronic drawings, specifications and bidding documents will be accessible/available only to those Bidders who are active members of the Prein&Newhof Plan Room. Bidder assumes sole risk for any project specifications and plans, electronic or hard copy, obtained other than directly from Prein&Newhof. Hard copy drawings and specifications are available for the fee of \$41.00 dollars. The drawings are included in the specification booklet so there is not an additional charge for the drawings. A \$10 dollar charge will be added to all mailed drawings and/or specifications. Fees for drawings and specification hard copies are payable by cash or check only and will be

refunded if returned to Prein&Newhof within five (5) business days after the bid date, and in good condition.

The Bidder is to complete the Bid Proposal documents that are included in the Project Specification book (online or hard copy), referring to the table of contents to identify the exact order of these documents. Regardless of how the bid documents are received, a hard copy (paper copy) of the Bid Proposal Documents must be submitted for bidding purposes. *No electronically submitted Proposals will be accepted.* The Bid Proposal Documents include: Bid Proposal Checklist, Proposal, and Bid Proposal.

The Bidder must provide the signed Bid Proposal Documents in either type written or hand written (in ink) form and clearly and completely set forth all required lump sum amounts, unit prices or other costs in a legible and understandable manner. Illegibility of any work or figure in the proposal may be sufficient cause for rejection of the proposal by the Owners. No electronically submitted Proposals will be accepted.

Any conclusions or information obtained or derived from Contract Documents will be at the user's sole risk. Prein&Newhof will maintain in its Grand Rapids office the master copy (hard copy) of the Contract Documents from which all electronic copies are based. In the case of any contract discrepancy, the Master Copy (hard copy) shall be considered the controlling document.

5. FUNDING

The work to be performed will be completed with funds provided by a Michigan Department of Natural Resources Waterways Grant. As such, the Contractor shall be required to abide by the requirements of the Equal Opportunity Clause (Executive Order 11246) and provide certification regarding Debarment, Suspension, and Other Responsibility Matters (enclosed).

6. BID SURETY

A bid bond, certified check, or cashier's check payable to City of Muskegon in an amount equal to five percent (5%) of the total price shall accompany each bid. This surety shall bind the bidder for a period of sixty (60) days after the receipt of bids.

7. RIGHT TO REJECT BIDS

The Owner reserves the right to reject any or all bids and to waive any irregularities in bidding. No bid may be withdrawn after the scheduled closing time for receiving bids for at least sixty (60) days thereafter.

8. COMPLETION DATE

Final completion will be Friday, December 20, 2013, at which time all dredge spoils shall be removed from City property and the sites restored.
