

DESIGN WORKSHOP

Come see initial concept plans for connections along Muskegon's waterfront. Drop in anytime to meet with designers, ask questions, and share your ideas for future land uses and enhanced connections to community assets like parks, trails, downtown, and public boat launches.

ADA Accessible - Family Friendly

**Monday,
October 30th,
2017**

10am - 6pm

*GVSU Annis Water
Resource Institute*
**Lake Michigan Center
740 W. Shoreline Dr.**
