

Too long since your last furnace tune-up?

Save energy.
Save money.
Together we will.

You may qualify for a furnace tune-up from DTE Energy at no cost to you.

DTE Energy, in partnership with local Community Action Agencies and other nonprofit organizations, is offering a furnace test and tune-up to applicants who meet income eligibility guidelines.

A specially trained technician will perform a thorough furnace cleaning and tune-up designed to help your system last longer, run more efficiently and save energy and money. In addition to the test and tune-up, you'll receive a programmable thermostat and other energy-saving improvements at no cost to you!
