2005 CORPORATION INCOME TAX RETURN INSTRUCTIONS FOR FORM M-1120 FOR CORPORATIONS DOING BUSINESS IN MUSKEGON

FILING DATE:

Calendar year taxpayers must file by May 1, 2006. Fiscal year taxpayers must file within four (4) months after the end of their fiscal year.

REMITTANCE:

Tax due, if one dollar (\$1.00) or more, must be paid when filing the return. Make remittance payable to: CITY OF MUSKEGON.

MAILING ADDRESS:

Mail your return and remittance to:
INCOME TAX DEPARTMENT
P.O. BOX 29
MUSKEGON, MI 49443-0029

EFFECTIVE DATE OF TAX:

The Muskegon income tax became effective July 1, 1993. Corporations subject to the tax are required to file a return each year, commencing with their first year, calendar or fiscal, ending on or after July 1, 1993, and are required to pay the tax on that part of their net income attributable to business activity in Muskegon.

CORPORATIONS REQUIRED TO FILE:

Every corporation doing business in the City, whether or not it has an office or place of business in the City, and whether or not it has net profits, is required to file a City of Muskegon Corporation Income Tax return, Form M-1120.

Corporations cannot elect to file and be taxed as partnerships. (Likewise, partnerships cannot elect to file and be taxed as corporations.) This includes Sub-Chapter S Corporations.

The ordinance specifically exempts from taxation state and national banks, trust companies, building and loan associations, saving and loan associations, and credit unions.

Income of non-profit corporations which have applied for and received tax-exempt status under the Internal Revenue Code (IRC) is tax-exempt or taxable, in the case of unrelated business taxable income, as per the IRC. Non-profit corporations having tax-exempt status who have only tax-exempt income are not required to file a Muskegon return provided they submit, to the Administrator, a copy of their exemption approval from the Internal Revenue Service.

FILING DATE:

Calendar year taxpayers are required to file by May 1, 2006. Fiscal year taxpayers must file by the last day of the fourth month following the end of their fiscal year. Returns shall be filed using the same calendar year, fiscal year or other accounting period the taxpayer uses for federal income tax purposes.

EXTENSIONS:

Upon written request of the taxpayer, made on or before the due date for filing a return, the Administrator may extend the time for filing up to six months, or, where a longer extension has been granted by the Federal Internal Revenue Service, to one month beyond such extension. Payment of the tentative tax estimated to be due must accompany an extension request.

When an extension is granted, the Administrator will assign an extension number. This number is to be entered on the final return and on any correspondence required before filing the final return.

INSTRUCTIONS FOR PAGE 1:

Line 1 a. Report the taxable income before net operation loss deduction and special deductions as shown on U.S. Corporation Income Tax Return, Form 1120, 1120-A or 1120S. Attach a copy of the Federal 1120, or 1120S and Schedule K, as filed with the Internal Revenue Service.

Line 1b. Optional method of reporting. REQUIRES PRIOR APPROVAL OF THE INCOME TAX ADMINISTRATOR. Enter the amount from Page 2, Schedule C, Line 30. Corporations reporting on the Separate Accounting Method (Schedule C option) are required to complete Schedule C on Page 2 and report the income on Line 1 b of Page 1. See instructions for completing Schedule C.

Line 2. Enter the amount from Page 2, Schedule E, Column 1, Line 5. The items deducted on the federal return which are not deductible under the Muskegon Income Tax Ordinance.

Line 4. Enter the amount from Page 2, Schedule E, Column 2, Line 10. The items that are not taxable or are allowable deductions under the Muskegon Income Tax Ordinance but were not deductible on the federal return.

Line 6. Enter the amount of gain or loss from sale or exchange of property not subject to Muskegon Income Tax. Only the amount of gain or loss occurring from July 1, 1993, or the date the corporation became subject to the tax, to the date of disposition shall be recognized under the Muskegon income tax.

Line 8. Enter the Business Allocation Percentage from Page 2, Schedule D, Line 5, or if the use of a special allocation has been approved by the administrator, enter the allocation percentage and attach an explanation.

Line 12. Corporations qualified to claim the Renaissance Zone deduction calculate the tax due on Schedule RZ of M-1120. Be certain to attach Schedule RZ to the M-1120. All other corporations compute the tax due at 1% of line 11.

RENAISSANCE ZONE DEDUCTION:

A corporation located and doing business in a Muskegon Renaissance Zone may be eligible to claim the new Renaissance Zone deduction. This deduction allows the corporation to deduct the portion of their income earned in a Muskegon Renaissance Zone from income subject to Muskegon income tax. A taxpayer is not qualified to claim the deduction if the corporation is delinquent for any Michigan or local taxes. A Muskegon income tax return must be filed to claim this deduction. Contact the Income Tax Department to request Schedule RZ.

SCHEDULE C - INSTRUCTIONS:

Taxpayers authorized to use the Separate Accounting Method, Sec. 19 of the Ordinance, as amended, rather than the three factor apportionment formula, Secs. 20-24, will enter only the amounts applicable to Muskegon business activity in Schedule C. To report under the separate accounting method, the taxpayer must regularly keep its books and records in such a manner as to show with reasonable accuracy the portion of its net profits attributable to work done, services performed or rendered, and other business activities conducted within the city. Generally a corporation that is unitary in nature, i.e. has central management, purchasing, warehousing, advertising, etc., cannot use separate accounting.

Line 15 - Depreciation. Use the same basis and method as used for Federal income tax reporting.

Line 16 - Contributions. Contributions are deductible to the same extent, and under the same limitations, as under the Federal Internal Revenue Code.

Lines 24 and 25 - Dividends and Interest. Taxpayers allocating on any basis other than separate accounting shall include all interest, dividends, and other non-operating income to arrive at the total income subject to the allocation percentage. Taxpayers using separate accounting shall include in income subject to tax a proportionate share of dividends, interest, and other non-operating income of the total corporation, using a direct allocation if the income is received by the divisions subject to the Muskegon tax, or apportioning it on the same basis as general administrative and overhead costs are apportioned to Muskegon activity.

Line 26 - Income. Rents and Royalties. Follow the same instructions here as for dividends and interest above.

Line 27 - Gain or Loss from Sale or Exchange of Property. Enter the total amount of gain or loss from sale or exchange of property for the same period as reported in this schedule. Only the amount of the gain or loss occurring from July 1, 1993, or the date the corporation became subject to the tax, to the date of disposition shall be recognized under the Muskegon income tax.

SCHEDULE D - INSTRUCTIONS:

The business allocation percentage formula is to be used by corporations with business activity both inside and outside the City of Muskegon .

Line 1. Enter in Column 1 the average net book value of all real and tangible personal property owned by the business, regardless of location. In Column 2 enter the net book value of the real and tangible personal property owned and located or used in the City of Muskegon. The average net book value of real and tangible personal property including inventories may be determined by adding the net book values at the beginning of the year and the net book values at the end of the year and dividing the sum thus obtained by two.

Line 1a. Enter in Column 1 the gross annual rent multiplied by 8 for all rented real property regardless of location. In Column 2 enter the gross annual rent multiplied by 8 for rented real property located in the City of Muskegon. Gross annual rent refers to real property only, rented or leased during the taxable period, and should include the actual sums of money or other consideration payable, directly or indirectly, by the taxpayer for the use or possession of such property.

Line 2. Enter in Column 1 the total compensation paid to all employees during the year. In Column 2 enter the amount of compensation paid to employees for work or services performed within the City of Muskegon during the year.

Line 3. Enter in Column 1 the total gross revenue from all sales or services rendered during the year. In Column 2 enter the amount of revenue derived from sales made or services rendered in the City of Muskegon during the year. If there is no regularly maintained sales force outside the city, this allocation factor must be 100% for businesses with no other business activity outside the city.

SCHEDULE E - INSTRUCTIONS:

Line 3. Enter losses from entities filing as partnerships included in taxable income reported on page 1 line 1.

Line 5. The City of Muskegon Income Tax Ordinance provides for the specific exclusion from the tax of interest from obligations of the United States, the states or subordinate units of government of the state.

Line 6. If you reported dividend income, enter on this line the amount of the dividend-received deduction allowed by the federal Internal Revenue Code for dividends received.

Line 7 and Line 8. Taxpayers may deduct income, war profits and excess profits taxes imposed by foreign countries or possessions of the United States, allowable to income included in taxable net income, any part of which would be allowable as a deduction in determining federal taxable income under the applicable provisions of the federal Internal Revenue Code.

If a foreign tax credit, rather than a foreign tax deduction was claimed on your federal return, enter on line 7 the portion of the foreign tax credit which was grossed up and included in your Muskegon return as dividends received.

Enter on line 8 the "foreign taxes paid or accrued" portion of the foreign tax credit claimed on your federal return, not in excess of the federal limitations thereon. The balance of your foreign tax credit is not deductible.

Line 9. Enter income from entities filing as partnerships included in taxable income reported on page 1, line 1.

SCHEDULE F:

S corporations must file as C corporations. Schedule F is used to reconcile the amount reported on line 1, page 1 M-1120 with federal Form 1120S and Schedule K.

SCHEDULE G:

Line 1. Net operating losses carried forward are to be reported on this line. There is no provision for carrying back losses to prior tax years. Carryover losses are to be allocated to Muskegon at the percentage of business conducted in Muskegon in the year in which the loss was sustained. If all business was not conducted in Muskegon in the year in which the loss was sustained, use the business allocation percentage formula to arrive at the deductible portion of the loss. Attach a schedule showing your computation for the amount reported on this line.

Line 2. Enter on this line the net capital loss carryover applicable to Muskegon. Net capital losses sustained by a corporation for periods subsequent to July 1, 1993, may be carried forward in the same manner as under the federal Internal Revenue Code. No deduction will be allowed for capital losses sustained prior to July 1, 1993. If all business was not conducted in Muskegon in the year in which the loss was sustained, use the business allocation percentage formula to arrive at the deductible portion of the loss. Attach a schedule showing your computation for the amount reported on this line.

Line 3. Corporations who are partners in a business activity taxed as a partnership that has business activity in Muskegon must enter on this line their portion of the Muskegon taxable income or loss from the partnership(s). Attach a schedule showing your computation for the amount reported on this line including the name and taxpayer identification number of the partnership(s).

COMPUTATION AND PAYMENT OF TAX:

After computing the Muskegon income tax and deducting allowable credits, if there is any tax due, it must be paid when filing this return. Make check or money order payable to CITY OF MUSKEGON and mail with this return to the INCOME TAX DEPARTMENT, P.O. BOX 29, MUSKEGON, MI 49443-0029. If your payments and credits exceed the tax due, the over-payment will be refunded or it may be credited forward to the 2006 tax.

Refunds will be made as quickly as possible, but please allow 90 days before making an inquiry. Refunds of less than one dollar (\$1.00) will not be made. Tax due of less than one dollar (\$1.00) need not be paid.
