

February 2011

To the People of Marsh Field Neighborhood Association:

We need your help. We, as a neighborhood, are in danger of losing our association and our programs. Those programs include our Neighborhood Association Officer, Dumpster Day and many programs that the city has helped us with. What we need are people to attend the meetings and get involved with our neighborhood board and association. We need a new Vice President, 2 Trustees, with a chance of a Secretary and Treasurer. You will also lose information that our Neighborhood Association Officer has, along with his office on Peck Street. He is able to tell you what he can do for you. Plus we have one of our DA's who also comes to our meetings along with your City Commissioner. Do you really wish to lose these wonderful programs? Please come to the meeting on March 21, 2011 at Moon School at 6:30 p.m. I hope to see you there.

Thank you.

Terry Jados, President
Marsh Field Neighborhood Association
