A. Special Event Request – Muskegon Bike Time Events Inc. (Annual Event). PLANNING & ECONOMIC DEVELOPMENT

SUMMARY OF REQUEST: Muskegon Bike Time Events Inc. has filed a special event application for the annual Bike Time festival in downtown Muskegon to be held July 15, 16, and 17, 2011. They have requested the waiver of some City equipment rental fees. They have also requested to use their own labor pool rather than City employees whenever possible (as they have done in past years).

Bike Time would also like permission to close certain street intersections in the downtown area one day earlier than allowed in the special event policy, so that

they can work on event/tent set-up. They would like to close the intersections starting at 6:00 p.m. on Wednesday evening, July 13 (instead of waiting till Thursday evening, July 14).

FINANCIAL IMPACT: Request that equipment rental fees be waived. In exchange, Bike Time will provide a pre-negotiated amount of beverage tent wristbands. The exchange will be coordinated with the City Manager.

BUDGET ACTION REQUIRED: None.

STAFF RECOMMENDATION: It is recommended that staff be allowed to make the final decision regarding rental fees, actual costs, and/or exchange of wristbands, to be coordinated through the City Manager. In addition, staff recommends that if Bike Time picks up items such as picnic tables, bleachers, and trash cans for distribution at the proper locations, there will be no equipment rental charge to Bike Time. This must first be approved by and coordinated through City staff. It is also recommended that City staff review staffing levels for City personnel with the Bike Time staff, with the City making the final decision on the number of City staff needed for the event. These recommendations follow what was done for the 2009 event.

Regarding street closures, staff recommends approval with the condition that Bike Time notify affected downtown businesses of the dates and times of street closures and the date and time that No Parking restrictions go into effect on those streets.

Motion by Commissioner Spataro, second by Commissioner Carter to approve the request for the Muskegon Bike Time event as described.

Staff report excerpt:

Hearing; Case 2011- 07: Request to rezone the property at 1753 Madison St from I-2, General Industrial District to B-4, General Business District by Kurt Dykman.

BACKGROUND

Applicant: Kurt Dykman, JNJ Discount

Property Address/Location: 1753 Madison St

Zoning: I-2

Request: Rezoning to B-4

Present Land Use: Mostly Vacant / Office / Storage

STAFF OBSERVATIONS

1. Kurt Dykman, owner of JNJ Discount, would like to move his growing business at 911 W Laketon Ave to a larger building. JNJ Discount is a retail business that specializes in discount items including new and used goods. This type of business must be located in a B-4 zone.
2. The property at 1753 Madison St encompasses 4.2 acres and contains three separate buildings. The main building facing Laketon Ave is roughly 16,500 SF and is currently vacant. JNJ Discount would occupy this building, which would host a show room and storage space. The smaller building to the north-east is roughly 4,200 SF and is currently occupied by a small office business who plans on staying regardless of the zone change and relocation of JNJ Discount. The building on the northern edge of the property is roughly 4,700 SF and is being rented out for storage. It would continue to be rented as storage after a rezoning as well.
3. The property is located just east of the Laketon Ave exit off US-31. Port City Industrial Center is located just west of the exit. The property abuts R-1 Single Family Residential Districts to the north, east and southwest.
4. There is adequate parking and the applicant has agreed to stripe the parking spaces.
5. John Hughes, who owns many properties around 1753 Madison and was notified of the rezoning request, is in favor of bringing more retail off of the US-31 exit. Staff did not receive comments from any other citizens on this request.

BACKGROUND

Applicant: Michael Vasquez
Property Address/Location: 2010 S Getty St
Zoning: I-1
Request: Rezoning to B-4
Present Land Use: Wheelchair / Medical Transportation

STAFF OBSERVATIONS

1. The applicant would like to rezone the property to a B-4, General Business District so that he may apply for a Special Use Permit to have automobile sales.
2. The property is zoned I-1, Light Industrial; however, it has been used in the past as a car dealership as a legal non-conforming use. However, the legal non-conforming use has been abandoned for more than two years, therefore, that use is no longer allowed.
3. The parcel is roughly 16,652 SF (0.38 acres). B-4 districts require a minimum parcel size of 10,890 SF.
4. There are three other car dealerships within a half mile of this parcel, two of them are in Muskegon and one is in Muskegon Heights.
5. The parcels to the north are zoned B-4, General Business District and the parcels to the south are zoned I-1, Light Industrial District. Medendorp Industrial Park is also located to the south.
