NOTICE OF CONSTRUCTION

LAKETON AVENUE; GETTY STREET TO CRESTON STREET

PUBLISH: 03/13/18

Concrete road reconstruction on LAKETON AVE. from GETTY ST. to CRESTON ST. is scheduled to begin the first week of April 2018, with anticipated completion by September 1, 2018.

Phase I will consist of constructing the north half of Laketon, and should be completed by late June. During the first phase of construction, one lane of east and one lane of west bound traffic will be maintained on the pavement on the south side of Laketon Ave. Madison, Roberts and Creston Streets will be closed on the north side of Laketon Ave. Also during phase one, the bike path that is located on the north side of Laketon will be closed from Getty to Creston. The bike path should be open after phase one.

Phase II will begin immediately following phase one and is anticipated to start in June. Phase two shall consist of constructing the south side of Laketon. One lane of east and one lane of west bound traffic will be maintained on the newly constructed pavement on the north half of Laketon. Continental, Austin, Valley, Madison, Roberts, Rouse and Burton Streets will be closed on south side of Laketon.

Phase III, the final phase will be the construction of the Getty St. and Laketon Ave. intersection, and is anticipated to be done in August of 2018. Two-way east and west bound traffic will be maintained on Laketon Ave., but Getty St. will be closed for a period not to exceed 21 days. Access to your property (barring unforeseen circumstances) will be maintained during the construction to the extent possible.
