Qualifications of Team will be scored based on the experience, technical competence, and related past experience of the project team. Include an organizational chart. Describe the roles of the key members of the team as it relates to the successful completion of the project. Include key members of sub consultants and what roles will be completed by those sub consultants. Provide resumes for all key members. Up to three (3) references may be provided for use at the discretion of the scoring team.

Understanding of Service shall be scored based on the information provided in the proposal that details the understanding of the processes and milestones throughout the project to ensure that the project is completed successfully. Include relevant technical competence in the project areas, and past experience completing projects of similar scope.

Location of Firm will be based on location of the firm's office where project work will be completed. A maximum score will be awarded for firms completing work within the corporate limits of the city of Muskegon. Reduced scores will be awarded to firms proportional to their distance from the city of Muskegon.
