

**CITY OF MUSKEGON
SPECIAL EVENT POLICY**

2018

The City of Muskegon has many fine parks and facilities available for your event. A Special Event Application is required for any public event held on City property. While there are several City departments involved in the special event process, this policy centralizes the administration of special events with the City’s Planning Department.

For events where alcohol is served, applicants must also obtain approval from the State of Michigan Liquor Control Commission and the Muskegon Police Department, in addition to completing the Special Event Application. Liquor license approval is a separate process from the Special Event Application, with its own fees and regulations. The final authority for signing special liquor licenses is with the Public Safety Director. For State of Michigan liquor license regulations and information, please visit the State of Michigan’s website at www.michigan.gov/lara.

(a) **Public Safety Personnel.** While the presence of public safety personnel (police/fire/medical) may not be required at all special events, it shall be the discretion of the Public Safety Director as to whether or not, and how many, city police and/or fire officials may be required. For events having multiple tents, contact the City's Building Official for inspection fees.

(c) **Application Denial.** Where City staff reviews an Application and denies same, it shall state in writing the reasons for the denial. An appeal of that decision may be made to the City Commission, whose decision shall be final.

(d) **Unpaid Invoices Due the City.** Any past due fees/invoices owed to the City may result in denial of the event application and/or future Special Event requests.

(e) **Meetings with Staff.** City staff will meet with applicants to discuss event details if needed. Contact the City's special event coordinator in the Planning Department to request a meeting. (f) **Street Closures/Barricading.** Requests for road closings/barricading require approval of the Public Safety Director and the DPW Superintendent. Planning staff will forward requests to the appropriate personnel once the application and fee are submitted. The applicant is responsible for all associated costs, which may include barricades and public safety services. City Commission approval may be required in some cases. If a street closure is approved for an event, the Applicant must provide written notification to all businesses and residences located on the affected street(s) at least *10 days* prior to the event date. Changes to street closures requested within 30 days of the event date will incur a \$50 fee. *No route and/or road closure changes will be allowed with 14 days of an event.*

In addition, if any streets will be closed or partially closed, the applicant must provide written notification to all residents and businesses along the route as stated above in paragraphs (f) and (f)(1). The City’s special event coordinator can provide you with the names and addresses of affected homes and businesses to be notified. The applicant is responsible for any public safety and/or DPW costs for street closures (barricades, police presence at intersections if needed, etc).

(g)(1) **Use of Lakeshore Trail bike path.** For events utilizing the Lakeshore Trail bike path, there is a trail use fee that will be billed upon completion of the event (see Fee Schedule on pg 5) to help cover trail maintenance expenses. In addition, any events using the path must post signage at trail entry points on the day of the event, notifying users that there is an event occurring on the trail. Signs may be generic, such as “EVENT ON BIKE PATH TODAY” (organizations using the path for events may share signs to reduce costs). The City’s Parks Supervisor can assist you in locating sign placement locations.

(h) **Site Plan.** The City may require submittal of a site plan showing the event grounds and the location of tents, vendors, portable toilets, and other structures.
